

ACCREDITED

R638 FOOD SAFETY FOR THE PERSON-IN-CHARGE

**eLEARNING COURSE
R1750 PP**

Health Regulation 638 section 10(1)(a) states that all people in charge of food handling facilities in South Africa must have accredited training in food safety and hygiene. Completing this course fulfils this requirement.

HOW IT WORKS

- This 8-hour eLearning course is video-based and presented on the internet.
- Attend from anywhere in the country using a cell phone, tablet, laptop or PC.
- Complete the course in your own time and at your own pace.
- Receive a digital Certificate on successful completion of the online exam.

ABOUT YOUR FACILITATOR

Juliette le Roux has a Masters degree in Food Science. She is an experienced food safety consultant and training facilitator.

WHAT YOU'LL LEARN

- The basics of food safety and hygiene
- The minimum legal requirements for food hygiene in South Africa, based on R638
- How to get a Certificate of Acceptability (COA) from your local municipality
- Lots of practical examples and case studies
- Templates of required records

OUR ACCREDITATION STATUS

Food Safety Matters is certified by the Southern African Auditor and Training Certification Authority (SAATCA) to conduct R638 training (TCP no: 045).
